2.INSTRUCTIONS

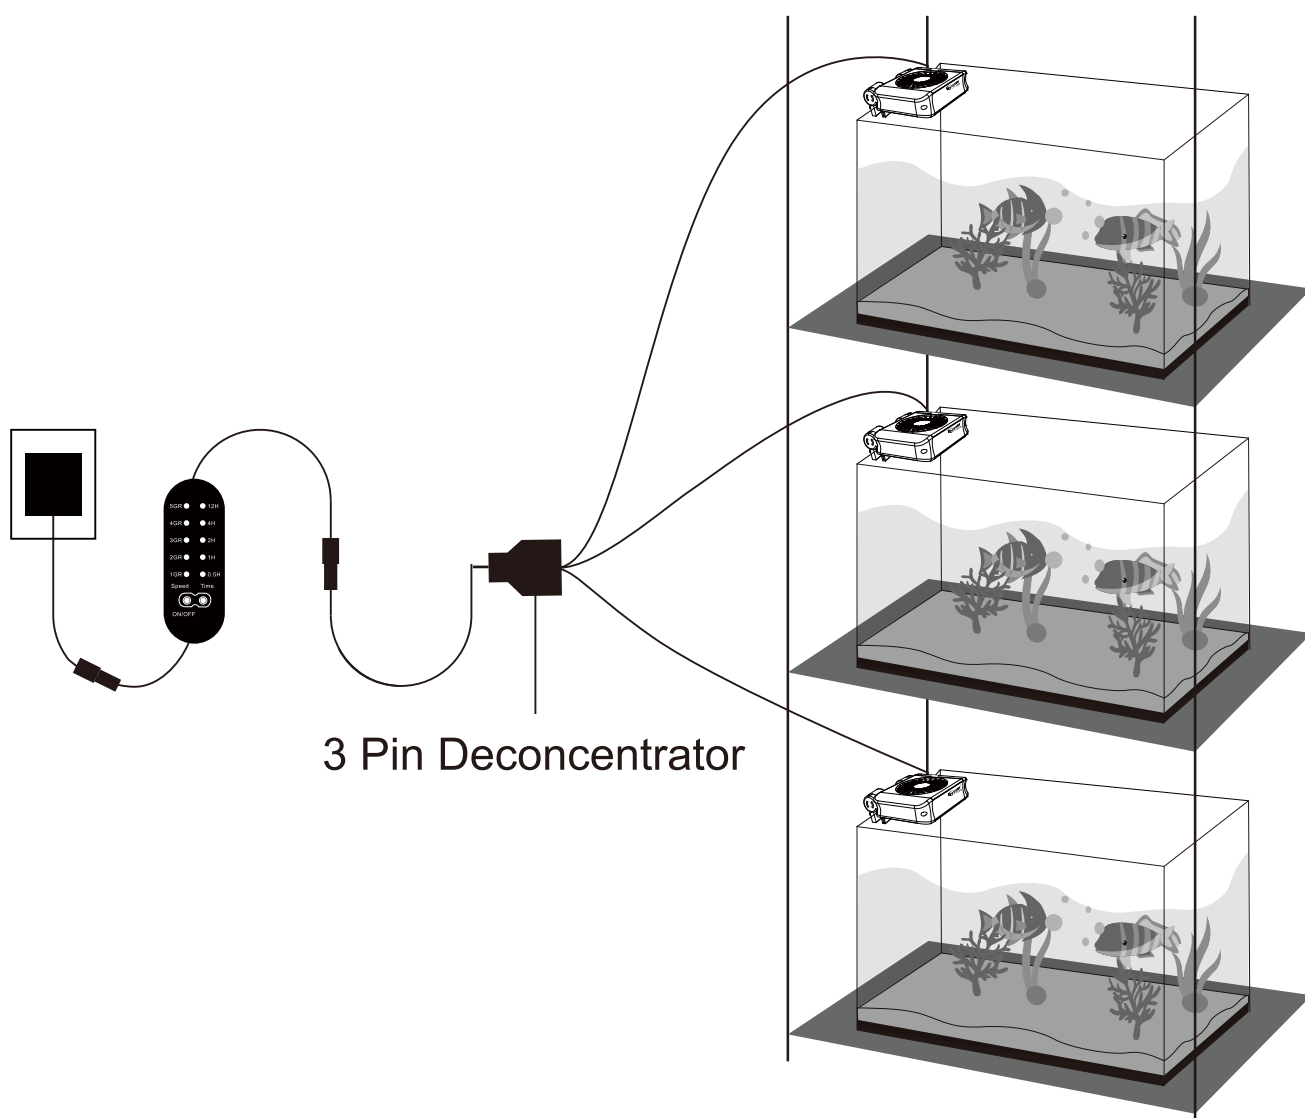

1. Open the package, check the accessories first, and then install the product in the following order: power adapter--controller--deconcentrator --fan head.
- 2..Fix the fan head to the tank and tighten it into place.
3. Plug in the adapter, press the "ON/OFF" button (also the speed button on the controller), the 1st gear indicator light will be on; Note: the speed setting and the on/off function share a button.
4. Short press the left (speed) button on the controller to set and select the desired speed level. There are 5 options. After the setting is completed, the corresponding indicator light will light up.
5. Short press the button on the right side of the controller (Time) to select the desired time period, there are 5 choices of time periods. After the setting is completed, the corresponding indicator light will light up.
6. Then turn on the switch on the side of the fan head, and the fan will start working.

Note that there is a push switch on the side of each fan head. This switch can be used according to the needs of customers, without unplugging the power adapter every time. And each switch can only control one fan head.

APPLICATION 1: SINGLE FAN USE

APPLICATION 2: MULTIPLE FANS USE

APPLICATION 3:

IMPORTANT REMINDER: THIS FAN IS ONLY SUITABLE FOR THE 0.45-INCH OR LESS RIMLESS TANK!

3.WARNING

To avoid possible electric shock, do not immerse the switch in the water. If the switch falls into the water or becomes wet, do not touch it until you have unplugged it. Basic safety precautions should be observed.

4.DISPOSAL

Do not dispose of this product as unsorted municipal waste. Collection of such waste separately for special treatment is necessary. This product has to be disposed of at an authorized place for the recycling of electrical and electronic appliances rather than being disposed of together with the domestic waste. Collecting and recycling waste is a way of saving natural resources. So, please consult with your local seller to make sure the product is disposed of in an environmentally friendly way.
